

BLAME IT ON CONGRESS – PARODY ON GUNS

Gloria Stein

Sung to the tune of Battle Hymn of the Republic

Anyone can buy a gun – they're easy to obtain
Some Children get their hands on them – they think it's just a game
We've got to fight the NRA – they really are insane
OUR CONGRESS IS TO BLAME

It's taken far too long to change – for years we see the trend
So many lives are shattered here – it's simply got to end
What will it take to fix this crime ? – some minds will have to bend
OUR CONGRESS IS TO BLAME

They care more for their pocketbooks – than saving precious lives
They're callous, cruel and thoughtless – then they tell us packs of lies
Too many times they shirk their jobs – while countless people die
OUR CONGRESS IS TO BLAME

PLEASE/ Do Something – that woman cried – her child had just been lost
Who can watch and turn their heads at such a tragic cost
THEY'VE GOT to get a spine to change – or out the door they're tossed
OUR CONGRESS IS TO BLAME

The shooters strike us everywhere – there is no place we are spared
At concerts, schools and theaters – they have us running scared
WE must have our voices heard – and hope enuf have cared
OUR CONGRESS IS TO BLAME

Now we have a president, who turns his head away
With empty words that just fool some, but nothing smart to say
Is govern/ment (SING FAST) for the people ? When the young and old must pay
OUR CONGRESS IS TO BLAME

Get those crazies off the streets – remove big guns that kill
They get them in all kinds of ways and shoot them off at will
High powered ones are all around – to cause such damage still
OUR CONGRESS IS TO BLAME

You'd think that change would happen – after Columbine and others
Sandy Hook and Virginia Tech – left grieving dads and mothers
Whole commun/ities are devastasted – our sisters and our brothers
OUR CONGRESS IS TO BLAME

The one in Florida is causing so much pain
It's much too late for Laissez faire – it's just a crying shame
If nothing / happens once again and / MASS BLOODSHED (SING FAST) still remains
OUR CONGRESS IS TO BLAME !!!!!!!!!!(SLOW AND LOUD)

(SHOUT OUT) 3X...THIS TREND MUST END - OUR CONGRESS IS TO BLAME !!!!!
